claudiahodoroga@outlook.com

Girona, Spain

I am a **passionate storyteller** looking to dive into the world of **Web Design and Development**. Currently studying Videogame Design and Development at the University of Girona, **mixing tech and art** has become a strong interest for me. I am looking for opportunities to start a career as a Frontend Designer/Developer as my love for this area continues to grow. Specifically, I'm looking for **Summer 2025 internship** roles, and I am open to relocate within the Eurozone.
